

1. Of the three options for a Palmer Park play structure for ages 5-12, which do you prefer?

Total responses: 12

2. Of the two options for a Palmer Park play structure for ages 2 - 5 which do you prefer?

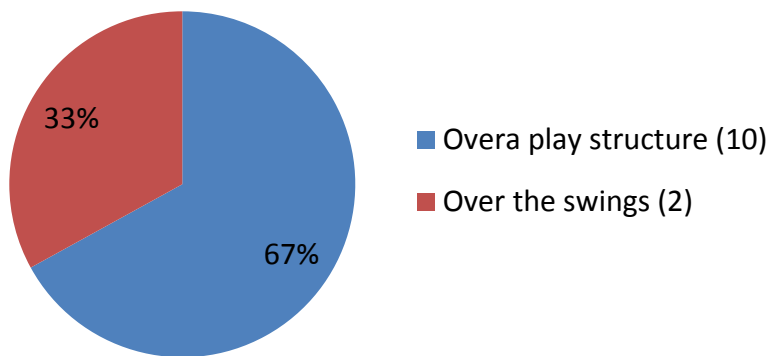

Total responses: 12

3. Is there anything else you'd like to see in the selected options?

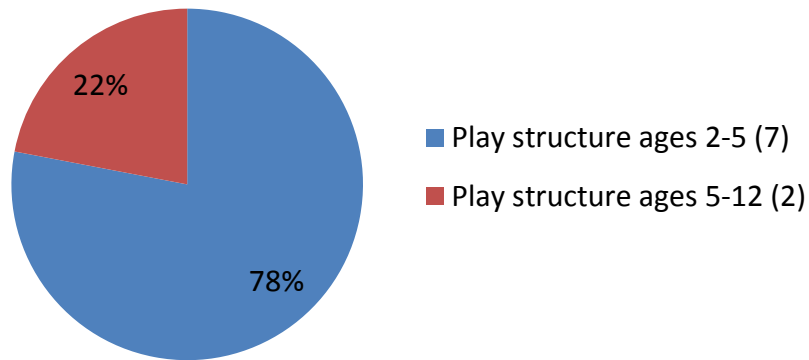

1. I'm not seeing swings in either option. We have lived here since 1984 and we have enjoyed using Palmer Park over the years. The swings were always a favorite thing for our kids to play on. I do love the options you have given us but would like to see some swings added. Although it does say there is an arch swing structure so perhaps I am mistaken.
2. BATHROOMS!!!
3. Designs on rubberized surface : Hopskotch / foursquare
4. Park baseball lighting for night time; trees along sound wall; dog park area fenced in; lighting on street; bathrooms lights in park during kids sports events; and more police presence just driving by.
5. Restrooms and trees

4. Where would you like the shade structure placed?

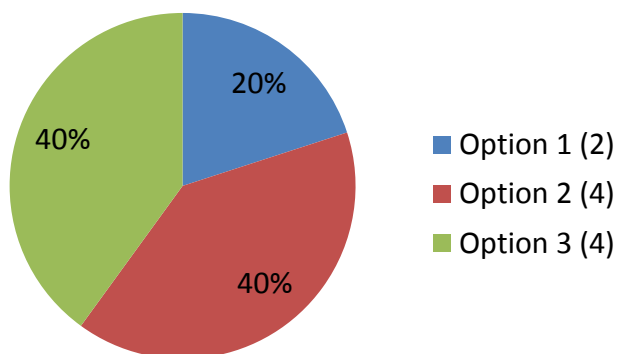

Total responses: 12

5. If you chose a play structure, which one would you like the shade over?

Total responses: 9

6. Of the three color schemes for the playground equipment, please choose one.

Total responses: 10

7. Additional comments

1. I love the bright colors! Thank you so much for doing this for our neighborhood. I have grandchildren now living in this neighborhood and look forward to playing with them in the new and improved Palmer Park.
2. Color schemes ????
3. Dog area: (1) keep on leash (2) clean up after dog. Coordinate with school. Consider portable. Add trees to lower noise
4. Need a shade structure over 5-12 play structure in addition to 2-5 area
5. Improvements to the lights over the basketball court would be great for playing at night, especially during the summer since it's too hot to play during the day. Also adding a pull up bar would be great for working out. Dog friendly features are also much appreciated, i.e. dog water fountain, stations with litter bags, etc.
